

CRAFT COVE

SUPER SUNGLASSES STRAP

Materials

- Beading cord, 20–25 in. per child
- A variety of craft beads (pony, round, faceted, fun foam, etc.)
- Small hair rubber bands, 2 per child
- Optional: Child size sunglasses

Tools and Basic Supplies

- Scissors

Pre-Prep

1. Tie a knot in the middle of the rubber bands.
2. Cut the beading cord into 20-in. lengths for Toddlers/Pre-Primaries and 25-in. lengths for Primaries/Juniors.

Class Time Directions

1. Tie one end of the beading cord to one of the loops of a knotted rubber band.
2. From the available beads, create a pattern and begin threading them onto the cord. Continue adding beads until about 2 in. from the open end.
3. Tie the open end of the cord to one of the loops of the other knotted rubber band.
4. Attach the strap to the sunglasses if the kids have the child size sunglasses.

Tip Corner

Knitting the small rubber bands is easier for someone with smaller fingers.
